

A white ghost with black eyes and a black clock tower with two faces. The ghost is on the left, and the clock tower is on the right. The background is a dark, textured purple.

A spine tingling journey
by lantern light into
Statesville's eerie past.
Take this 90 minute
walk through our
historic streets
in search of
legendary spirits,
scary creatures,
mysterious deaths
and creepy alleys.

COME IF
YOU DARE -
IT'S SCARIER
THAN EVER!!
